

mattTorch::NetworkBuilder
::addReluLayer

```
graph LR; A[mattTorch::NetworkBuilder::addReluLayer] --> B[mattTorch::NetworkBuilder::NetworkBuilder]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is gray and contains the text 'mattTorch::NetworkBuilder' followed by '::addReluLayer' on a new line. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white and contains the text 'mattTorch::NetworkBuilder' followed by '::NetworkBuilder' on a new line. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-call or a recursive relationship.
