

```
mattTorch::function  
::GradAccumulator::backward
```

```
graph LR; A["mattTorch::function  
::GradAccumulator::backward"] --> B["mattTorch::TensorView  
::getGradFunction"]
```

A diagram showing a call from a function to a method. On the left, a white box with a black border contains the text `mattTorch::function` and `::GradAccumulator::backward`. A blue arrow points from the right side of this box to the right side of a gray box with a black border on the right. The gray box contains the text `mattTorch::TensorView` and `::getGradFunction`.

```
mattTorch::TensorView  
::getGradFunction
```
