

`mattTorch::GradFunction`

```
graph BT; A["mattTorch::function  
::GradAccumulator"] --> B["mattTorch::GradFunction"]
```

The diagram illustrates an inheritance relationship. A light blue box at the top contains the text `mattTorch::GradFunction`. A dark gray box at the bottom contains the text `mattTorch::function` followed by `::GradAccumulator` on a new line. A blue arrow points vertically from the top of the dark gray box to the bottom of the light blue box, indicating that `mattTorch::function` inherits from `GradAccumulator` to become `mattTorch::GradFunction`.
