

`mattTorch::GradFunction`

```
graph BT; A["mattTorch::function :: GradDivide"] --> B["mattTorch::GradFunction"]
```

The diagram illustrates a specialization relationship. A light blue box at the top contains the text `mattTorch::GradFunction`. A dark gray box at the bottom contains the text `mattTorch::function :: GradDivide`. A blue arrow points from the top of the dark gray box to the bottom of the light blue box, indicating that the function in the dark gray box is a specialization of the `GradFunction` in the light blue box.

`mattTorch::function
:: GradDivide`
